

15 September 2009

Caringbah High School

Dear Principal

On Monday 21 September our company will be introducing new bus timetables and a new bus network for our public bus services between Miranda, Caringbah, Lilli Pilli, Dolans Bay and surrounding areas. This project is part of the NSW Government's 'Bus Reform' and follows on from a public consultation undertaken last year.

The new bus timetables may have an impact on any of your students who travel by our regular bus service network. There will also be some minor alterations to school specials in a few instances.

Please find attached a list of school bus services available to your students effective from Monday 21 September. I would draw to your attention the following implications that we anticipate for your students:

- **The morning buses will operate to different routes and times**
- **Some of the afternoon buses will operate to different routes and times**

In order to raise awareness amongst the affected students we intend to hand out circulars on the buses this week, however it would also be appreciated if you could please make an announcement in your next school newsletter as well.

Should you require any further information please do not hesitate to contact our Office on 9524 6636.

Thank you for your assistance.

Yours faithfully
